

EAST TENNESSEE ARTSCAPES

COURTHOUSE BENCHES BEAUTIFICATION PROJECT

East TN Artscapes is partnering with the Cocke County Partnership and Cocke County Leadership Class of 2017 to restore and beautify Newport's courthouse benches. Each bench will be fitted with new wood, primed and hand-painted with a Tennessee State symbol (like the state flag, the iris, the mockingbird, the TN walking horse, etc.). ETA is seeking funding for this project to help compensate artists for their work and to cover the costs of transport. CCP has provided materials, and the Leadership Class is volunteering labor effort.

Your support is invaluable! Each donation of at least \$100 will be honored with plaque on the back on a bench with either your business name or in honor or memory of an individual. These benches will become a fixture of downtown's landscape for decades. Please support us as we work to create a more beautiful public space for us all to enjoy.
